

MacRoberts on Scottish Building Contracts

SECOND EDITION

This book discusses the key provisions of the standard Scottish building contracts, against the background of Scots law. The new edition covers, in detail for the first time, Scottish adjudication, including a number of appeal cases, and covers other new case law and important new developments in novation. It is based on the 2005 revised Scottish SBCC building contracts.

Features

- Written by one of the leading firms of Scottish solicitors specialising in building contracts
- Considerable differences between Scots and English common law and Scottish and English standard building contracts, so specialist book required for Scotland
- Updates to the new edition include details of Scottish adjudication, new developments and new case law, revised Scottish building contracts
